

Are you looking for a technical writer?

Do you need technical documentation created or updated?

I'm Justin Kerr, a freelance writer for hire. Let me create technical content for you that will be a credit to your company. With over 30 years' experience in the technical arena, I will provide you with content which is:

- ***Clear***
- ***Concise***
- ***Accurate***
- ***Audience appropriate***
- ***Easy to read***
- ***Professional***

I have extensive experience in:

- ***IT System Administration***
- ***IT Networks***
- ***IT Teaching to Diploma level***
- ***IT Project Implementation***

But why would you hire me?

I'm easy to work with and a good communicator. I know how precious your time is and I always keep to deadlines. I have worked for private industry and government agencies as well as teaching in IT so I can adapt to all types of environments. Technical writing is a passion of mine so you can be assured of my full attention.

My rates are extremely competitive and I am happy to provide you with a quotation for the work that you require. If you would like me to work with you then please get in touch today.
